One part of
THE Directions this Year is only *Mercury* to the Quartile of his own place, but there is the second opposition of *Saturn* and *Jupiter*, *Saturn* being 14 11 of *Sagittarius*, and *Jupiter* 14 11 of *Gemini*. There is also a very remarkable Conjunction of *Saturn* and *Mars* in 15 degrees of *Sagittarius* very near the New Star, 1604. There is also no less than five Eclipses this Year; the first falls on the Twenty Third of *January* (an Eclipse of the Moon) at two of the Clock in 14 degrees of *Leo*; the second is of the *Sun*, on the sixth of *February*, about five of the Clock at Night in twenty-eight degrees of *Aquarius*, the third will be an Eclipse of the Moon, on the 17th of *July*, at half an hour past Eleven at Night, in six degrees of *Aquarius*; the Fourth will be of the *Sun*, *August* the second day at nine of the Clock in the Morning, in twenty degrees of *Leo*, and the last will be of the *Sun*, on the twenty seventh day of *December*, at Two of the Clock in the Afternoon; in 17 degrees of *Capricornus*. None but the last of the Moon are visible with us, nor that neither, unless the Air be very clear.

Now comes the triple Conjunction 1682. to operate: The Sun suffering an Eclipse upon the very degree of that Conjunction, and the Moon suffering an Eclipse upon the very degree of the Conjunction *May*, 1683. poor ---- how art thou afflicted: *France* is also partaker with thee; thy people will dye for want of Bread, and those that are left will Revolt; it declares damage to Kings and great Persons, viz. their Death or Banishment, and the Destruction of the Papal Power. *France* and *England* are Intoxicated, but a little time will declare the Events.

Wisdom and Providence are firm props of State
They support Princes and make Nations great:
Their Suffrag's shall now restrain my pen,
And make me one of the prudential Men.

To Their Most Sacred MAJESTIES
King WILLIAM, and Queen MARY.

My Heav'nly Delights, & Joys Transcending, wait
About the Throne of your illustrious State.
All sad Disasters fly beyond those Seas
That Ebb and Flow unto th' *Antipodes*.
Or if they chance to linger by the way,
May they with Mahomet and *Ali* stay ;
But never in those Climes find place of Rest
Or Shelter, where the Sacred Truth's profest,
But in the stead thereof, Prosperity and Peace,
Great store of health, with numerous increase
Of Royal Issue 'bout Your Throne be seen,
To joy Your Sov'reign, and make glad Your Queen,
So will Your Nations in bright lustre shine,
Fig'ring in these your Persons, Pow'rs Divine.
Miriads of joyes Your Royal Heart's surprise,
Yea more than any rapture can devise,
The heart of man conceive or tongue express,
That You may Crowned be with great Success.
And Your New-England Subjects with one voice
Shall both in You and your blest Seed Rejoyce.

IN Youth, let Blood from the Change to the first quarter, in middle-age, from the first quarter to the Full. In Elder Years, from the Full to the last quarter. In Old age, from the last quarter to the Change. But under the age of 14 and above the Age of 56 it is not good to bleed at all.

Again, in the Dog-Days, it is very hurtful to take any Phisick at all, unless there be great need, in such a case the Disease being desperate, the Cure must be adventured. Purge

Purge when the Moon is Decreasing in any of these three signs, Cancer, Scorpio, or Pisces, and it will be sure to work the better. For, in a moist sign the humours of the Body are then stirred up and down, and the better purged out. In this case, it cannot be amiss to prepare humours by something that is Laxative: Let this be done when the Moon is either in Gemini Libra or Aquarius.

Take a Vomit that it may work throughly, when the Moon in Aries, Taurus, or Capricorn.
